

DOWN TOWN BURJ DUBAI, DUBAI

Down-Town Burj Dubai is a vibrant community built around the world's tallest building, the Burj Kalifa and showcasing the world's largest shopping mall, a selection of prestigious hotels and a fully integrated residential community.

absolute-pools has installed pools and spas throughout the project and has served the Emaar residential communities across Dubai.

- Developer : Emaar Properties PJSC
- Consultants: DSA Architects International
- Project Managers: Mirage Leisure and Development

absolute-pools provided spa and penthouse balcony pools (80 No.) throughout the Old Town project and carried out the spa fit-out at the Palace Hotel.

To-date **absolute-pools** have installed nearly 1,000 pools for Emaar developments, including at the Arabian Ranches, Meadows and Mistral

bringing pools to life
