

UPTOWN MOTOR CITY, DUBAI

A low-rise residential development, close to Dubai Autodrome, which features recreational areas and community living.

absolute-pools designed and built a number of community pools integrated throughout the development.

Completed 2009.

- Owner / Developer : Union Properties PJSC
- Consultant: Burt Hill Inc. USA
- Main Contractor: Al Futtaim Carillion

absolute-pools provided 8 community pools including oval, elliptical and trapezoidal styles plus a number of associated children's pools and water features.

Uptown Motor City showcases the Pre-Formed Composite technology at it's best.
